

DIETITIANS BOARD

Te Mana Mātanga Mātai Kai

Practitioner Responsibilities

CHANGE OF CONTACT DETAILS

Section 140 of the Health Practitioners Competence Assurance Act 2003 requires a practitioner to ensure that the Registrar of the Board has their correct and up-to-date contact details and to inform the Registrar promptly of any change(s).

Please use the 'Dietitians login' at the top right hand corner of the Board's website to comply with these requirements; you can use your login to check your details and keep them up to date.

The Act requires a practitioner to inform the Board of their postal address, residential address and, if applicable, their work address.

The Board also requires at least one email address, because Board communications are sent out routinely by email.
